FIRST SUNDAY IN MARCH

**Sunday 7 March 2010**

The tenth celebration of national Children's Day will take place on 7 March 2010. Now is your chance to start planning fabulous ways to bring together children and the many people in their lives and organise an event in your community, street, work place or club. Children's Day is about coming together to celebrate children and for families to spend quality time together.

### You could:

- Organise a celebration – we've got lots of tips in our Children's Day Communications Toolkit about how to promote your idea.
- Register your event and find out about the cool free stuff we can provide.
- Sponsor an event in your community.
- Arrange a celebration for staff and their families.
- Create a special street fun day in your town.
- Help us promote Children's Day.
